### Announcement

#### **The Second Annual National Bank of Cambodia Macroeconomic Conference 2015 on “Leveraging Financial Market Development to Promote the Use of Riel”**

The National Bank of Cambodia (NBC) is pleased to announce its Second Annual Macroeconomic Conference on “**Leveraging Financial Market Development to Promote the Use of Riel.**” This year’s theme is in line with the Government’s strategy to promote the use of riel, as well as enhance the development of Cambodia’s financial system.

The objective of the conference is to foster national research capacity development and policy dialogue on macroeconomic and financial sector development issues. In this context, the conference will provide a platform to bring Cambodian researchers from both the public and private sectors to present their research and discuss policy options.

In preparation, the NBC selected papers written by Cambodian researchers on macroeconomic and financial sector issues to be presented at the conference. For the utmost benefit of participants, the presentation will be conducted in Khmer. The NBC encourages active participation from government agencies, academia, think tanks and the private sector to exchange views on selected topics. The conference will provide valuable input for the NBC to formulate policies to promote the use of riel to support sustainable and inclusive growth in Cambodia.

The conference will be held on **29 September 2015 from 08:00 – 17:00 at the Sofitel Phnom Penh Phokeetra Hotel**. If you are interested in attending, please submit a statement of purpose of why you would like to participate in this conference as well as your C.V. Please send these materials to [eric@nbc.org.kh](mailto:eric@nbc.org.kh) by the close of business on **21 September 2015**. Seats are limited and only shortlisted candidates will be contacted.

For more information, please contact the Economic Research and International Cooperation Department at the NBC at: 023 990 196 or email: [eric@nbc.org.kh](mailto:eric@nbc.org.kh).
